### **DETAILED ACTION**

This Office Action is in response to the Amendment filed on February 25, 2005. Applicant's cooperation in correcting the informalities in the drawing and abstract is appreciated. Applicant's cooperation in amending the claims to overcome the claim objections relating to informalities as well as indefinite claim language is also appreciated. Claim 7 was amended.

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or renders obvious the claimed combination of a rotary engine including:

*"at least one passage comprising an open portion formed in the cylindrical wall surface of the second cavity and an enclosed portion enclosed by the housing along a length of the enclosed portion, the open portion including a leading end and a trailing end with respect to a direction of rotation of the first valve and which open portion extends for at least about 20 degrees around a circumference of the cylindrical wall surface of the second cavity."*

### ***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
